PROVIDER RELATIONS

SWCAA truly values the hard work and efforts of our CHCP Providers. We make every effort to keep you informed of changes and improvements within the CHCP program so that we continue to serve our clients in the most effective manner. The information provided is designed to help Providers more easily access the forms and instructions they need to do business with SWCAA. Please note, Provider enrollment is no longer facilitated by the Access Agency. Providers interested in enrolling or re-enrolling in the CT Home Care Program must follow the enrollment instructions available at [Connecticut Medical Assistance Program](#).

HELPFUL CONTACTS

PROVIDER RESPONSIBILITY

Please note, Providers are responsible to inform SWCAA when a client is unavailable for services. This includes hospitalizations, skilled nursing stays, vacations or any other service break. Claims for dates of service when a client is unavailable should not be billed. Payments for services that are not delivered to the client or unauthorized services may result in audit findings. Any and all changes in condition or concerns regarding the client's environment should be brought to the care manager's immediate attention.
