

## SKILLED HOME CARE AGENCIES

Skilled Home Care Agencies-Skilled Home Care Agencies provide help in the home to keep a person in the community and prevent premature nursing home placement. Services include visiting nurses, social workers, physical and occupational therapists and home health aides. Home health aides (HHA) can provide hands on personal care such as bathing, dressing, grooming, assistance with meals, ambulation, transferring and other hands-on-care.

## **HOME DELIVERED MEALS (MOW)**

Home delivered meals (MOW) are prepared meals delivered to a person's home for those individuals who are unable to prepare or obtain nourishing meals on their own. Home delivered meal programs provide one or two meals a day and can be obtained anywhere from one to seven days per week depending on the program.

## **ADULT DAY CARE CENTERS (ADC)**

Adult Day Centers offer a variety of health and social services in a secure group setting. Necessary healthcare needs, personal care, and social stimulation and personal interactions are provided for adults who do not need the continuous services of a nursing home and are able to leave their homes and come to a center. ADC's can provide alternatives for caregivers while they work, allow them to do errands, provide respite, or can offer a senior social time with peers in a structured setting.

## **RESPIRE CARE SERVICES**

Respite Care Services provide short term relief from the continuous care of an elderly person for the individual's family or other primary care giver(s) in the home of the individual by a qualified provider, or in an organized facility operating under the states' guidelines. The primary purpose of respite care services are to reduce stress on the caregiver. To allow the caregiver to meet other family needs or fill in during a temporary absence of the primary caregiver.
