LONG TERM CARE FACILITY

A skilled nursing facility (SNF) is a place of residence for people who require constant nursing care and have significant deficiencies with activities of daily living. Residents include the elderly and younger adults with physical disabilities. Adults 18 or older can stay in a skilled nursing facility to receive physical, occupational, and other rehabilitative therapies following an accident or illness or for long term care.

The Long Term Care Ombudsman Program (LTCOP) works to improve the quality of life and quality of care of Connecticut citizens residing in nursing homes, residential care homes and assisted living communities. The Long Term Care Ombudsman Program works to improve the quality of life and quality of care of Connecticut citizens residing in nursing homes, residential care homes and assisted living communities.
