

BILLING OPERATIONS SWCAA BILLINGS AND ERROR RESOLUTION

When to use SWCAAbillings

- Prior Authorization (PA) is not in DSSMap/ DXC System:
 - If the Prior Authorization (PA) is not in the www.ctdssmap.com billing portal and it has been over seven days, email the [Provider Issue Request](#) to swcaabillings@swcaa.org.
- PA is visible and accurate to authorization in DXC and Sandata systems (has a PA Number), with failed billing
 - Contact SwcaaBillings@swcaa.org with a completed [Provider Issue Request](#) with billing errors and date ranges.
 - Common error in billing related to eligibility. Tips to check eligibility:

- PA is visible in DXC and Sandata portal but is different from the verbal authorization
 - Contact Care Manager to discuss difference between authorization and PA ASAP. Adjusting the PA affects all claims against that PA.
