

Still need help filing taxes?

VITA is going virtual!

Sign up for a free phone appointment here:
<https://form.jotform.com/200751255209146>

Why is this happening?

To reduce the spread of coronavirus, all sites in Lower Fairfield must close. To maintain some level of service, we are offering virtual tax assistance to those who still need to file.

How will this work?

1. Complete the online intake survey at the top of this page. The survey will ask you to:
 - Fill out basic personal information,
 - Upload pictures of your tax forms, and
 - Choose an appointment time.
2. A VITA preparer will call you at your appointment time and complete your return with you over the phone or via video link. A second VITA preparer will check their work before filing.

Who is eligible for Virtual VITA?

At this time, VITA can only assist people who are filing their current year 2019 taxes. Also, we can only help those with either a smartphone or computer and reliable WiFi.

If you need to amend a tax return that has already been filed, or need to file taxes for 2018 or earlier, please try using <https://www.myfreetaxes.com/>.
