

COMMUNITY SUPPORTS MEDICARE SUPPLEMENT INSURANCE – MEDIGAP

A Medigap policy is a health insurance policy sold by private insurance companies to fill the gaps in Original Medicare coverage. Medigap helps pay when Original Medicare doesn't cover the full cost of services. Medigap insurance is a secondary payor to Original Medicare. You can go to any doctor or medical provider that accepts Medicare throughout the U.S.

- In Connecticut you can purchase a Medigap plan at any time during the year.
- Pre-Existing Condition waiting periods may apply.
- Standardized plans make it easy for individuals to compare plans.
- Individuals under age 65 who have a disability can only buy Plans A, B or C.
